Dear all,

a 12th grader tested positive to a Covid-19 test performed on the 13th of February. The student was last in school on the 11th of February.

Given the positive case in the grade, as per decree DL n.4 of the 5/02/2022, the whole grade **will need to wear an FFP2 mask at all times until Monday 21st of February (included).**

During the first 5 days of self-surveillance (autosorveglianza), until the 16th February (included), our medical director, Dr. Andrea Guerriero, recommends:

- to avoid contact sports and team sports in school;
- to avoid close contacts and to follow social distancing measures;
- to pay particular attention to symptoms like fever, sore throat, runny nose, cough, any gastrointestinal symptoms, body aches, chills, headache and, in case these symptoms appear, to test immediately for Covid-19 (a rapid antigen test will be enough) and notify the school at nurse@sssrome.it with the Covid manager fabio.boccuni@sssrome.it.

Please note that even if students have symptoms and they test negative, they should be symptom-free for 48 hours before returning to school. If they are absent for more than 5 days (including these 48 hours), a medical certificate for readmission will be required by regional laws.

--

Fabio Boccuni
Assistant Head/Covid Manager
