

Self Assessment - Algebra/Geometry

Name: _____

1) Operations with Integers

Not confident

Very confident

2) Operations with Decimals

Not confident

Very confident

3) Operations with Fractions

Not confident

Very confident

4) Simplifying Fractions

Not confident

Very confident

5) Exponents

Not confident

Very confident

6) Radicals

Not confident

Very confident

7) Order of Operations

Not confident

Very confident

8) Distributing

Not confident

Very confident

9) Adding Like Terms

Not confident

Very confident

10) Algebraic Expressions – Evaluating

Not confident

Very confident

11) Algebraic Expressions – Writing

Not confident

Very confident

12) Algebraic Expressions – Simplifying

Not confident

Very confident

13) Solving Linear Equations

Not confident

Very confident

14) Solving Word Problems

Not confident

Very confident

15) Cartesian Plane – Plotting Points

Not confident

Very confident

16) Cartesian Plane – Plotting Lines

Not confident

Very confident

17) Calculating Perimeters of Geometric Shapes

Not confident

Very confident

18) Calculating Areas of Geometric Shapes

Not confident

Very confident
