COMMUNITY SERVICE CORNER

December 2018

International Day for the Elimination of Violence Against Women

On 24 November, a dedicated group of students turned up to Piazza della Repubblica with hand-made signs to march in advocacy for women's rights and against violence towards women. Many of these students are members of either the Women's Club or Embrace. Alongside our group from St. Stephen's, there were many young people in the crowd of 150,000.

Casa Di Andrea

Students who volunteer at Casa Di Andrea collected Christmas gifts that were packaged and decorated by children at the home. These gifts were sold at the Winter Arts Show on 5 December, with all proceeds going to Casa di Andrea

In addition, students have been visiting the Casa regularly, to play games and share time with the fiorellini.

Call for donations and volunteers

The Joel Nafuma Refugee Centre, housed in St Paul's Within the Walls, needs you! They are asking for special items to make up Christmas bags for guests of the refugee center. The majority of the recipients are young men, but we collect for a small number of women too. Specifically, they are asking for shaving foam, socks, body lotion, gloves, chocolate bars, aftershave, hats, playing cards, shampoos, notebooks and pens, lip balm, boxer shorts, dental floss.

Please remember that you can add messages of encouragement and solidarity, which will go into the gift bags.

You can drop off your donations at the JNRC directly, on Via Napoli 58. For more information, please go to www.JNRC.it
