# COMMUNITY SERVICE CORNER

September 2018

## Boarding Park Cleanup in Piazza Albania

At the tail end of boarding orientation, boarding students were introduced to our service program at St. Stephen's. The whole crew marched with rakes and brooms in hand to Piazza Albania, a closeby park that can always use a touch-up. We hope that this activity sparked an interest in giving back to the local community.

## Parent Aperitivo

Many of our readers may have attended the parent aperitivo on 12 September. We would like to extend our gratitude to the students who volunteer to help out at events like these. They help bring these aperitivi and Back to School Nights to life.

## Rwanda Presentation

On Monday, students who participated in the 2018 Summer Service Trip to Rwanda spoke to the whole community at Morning Meeting about their experiences. The students raised money throughout the year to contribute towards St Augustin's School in Muhanga, to purchase Health Cards for locals, and to provide the most needy families with goats. They continued the legacy of Dr Helen Pope, who pioneered the Summer Service Trip program a decade ago. Dr Pope joined us on Monday and was presented by a gift and video that students in Rwanda had prepared for her. Applications for Summer Service Trips in 2019 will open soon.
