Subject: Message to grade 12 students and parents re: Covid cases

To: St. Stephen's News <news@sssrome.it>

January 12, 2022

Dear families,

A student in grade 12 tested positive today. As you are probably aware, this brings the number of positive cases in Grade 12 to two. As per my previous communication, when this happens, there can be two different situations:

- a. **Students who received their booster dose or recovered in the past 120 days or have**
been fully vaccinated in the past 120 days will continue with the “Autosorveglianza”;

Students in this category should continue to come to school to complete the mock exams as per their individual schedule.
- b. **Students who are not vaccinated or are vaccinated/recovered from more than 120**
days will do remote learning for 10 days. As regular lessons are suspended during the mock exam period, **students in this category will agree on an individual study plan with the IB coordinator and their advisor.** They will be given the opportunity to do the mocks when they return on the 24th of January.

To continue reading, please see the attached letter from Covid Manager Fabio Boccuni.
