Dear parents,

just a reminder that students in Grade 10 will be back in presence on the 24th. As you might recall from my previous communication, students in the following categories will need to bring a recent rapid antigen test:

- Students who are vaccinated ( full vaccination cycle) from more than 120 days or recovered from Covid 19 from more than 120 days, will bring the **end of quarantine 18th January** test result;
- Students who are not vaccinated will bring the **end of quarantine 23rd of January** test result;

In the absence of the above test result, students will bring a recent antigen test done in the previous 48 hours at a pharmacy or any other authorized provider.

All the other students can enter with their green pass/vaccine certificate showing that they received their third dose in the past 120 days/that they recovered in the past 120 days.

To simplify the procedure at the gate, please print, fill in and sign the attached form, which will be given to the people at the gate before 8.30 or at the reception if late.

Fabio
